Time Allowed:	4 Days			Maximum Marks:	10		
Student's Name:				Reg. No.			

Lab Assignment 1 – HTML, CSS & Tailwind CSS

Submission Date: Thursday, 2nd October 2025

Late Submission: Not Accepted

Q1: HTML Complete Tags A to Z (Hand Written)

Write **all HTML tags from basic to advanced** by hand on your notebook pages.

- Include document structure, text formatting, lists, tables, forms, semantic tags, multimedia, and advanced tags (SVG, Canvas).
- Provide at least **two complete HTML programs** demonstrating usage of these tags.

Q2: CSS Properties A to Z (Hand Written)

Write down **all CSS properties** by hand.

- Cover text, box model, background, border, colors, positioning, display, flexbox, grid, transitions, transforms, and animations.
- Provide at least **two CSS code snippets** written by hand showing different properties applied to elements.

Q3: Tailwind CSS Classes A to Z (Hand Written)

Write the **most commonly used Tailwind CSS classes** by hand.

- Typography, spacing, colors, borders, backgrounds, flexbox, grid, alignment, shadows, and responsive utilities.
- Write at least **one example program** using Tailwind classes for a card layout or button.

Q4: Complete Example Program (Hand Written)

Write 5 **full web pages** by hand using: **Home , About, Services, Blog, Contact US**

- HTML (with headings, paragraph, form, image, and table).
 - CSS (to style text, background, and layout).
 - Tailwind CSS classes (to build a styled button and section). **Note:** All answers must be **hand-written**. Typed or printed work will not be accepted.
- ✓ **Deadline:** Thursday, 2nd October 2025.
- ✓ **Late Submission:** Will not be accepted.
